

# Windows<sup>®</sup> 7

Deploy Windows 7 for **\$77\*** per desktop

Experience the massive performance improvements of Windows 7 - Work smarter and achieve more.

✓ Smarter Search ✓ More intuitive interface ✓ Do more with your PC

Desktop deployment is no longer the headache and expense it used to be. Costs can be reduced and reined in using deployment best practices and automating many of the steps required to complete a migration.

*"Migrating from Windows XP to Windows 7 was far less hassle and expense than I had ever anticipated. The migration was quick and easy and I only wish we had done it sooner."*

*Keith Brockbank, Director, Amstar*
