Are you getting the most out of Microsoft Office 365?

Explore the modern meeting room experience using MS Teams.

As a tool that supports collaboration, productivity and communication in the modern workplace, why not learn how to leverage its applications and features to their full extent?

Get more out of Office 365 without spending more.

In partnership with HP and Intel<sup>®</sup>, Softsource would like to invite you to an exclusive 1.5 hour hands on workshop running between the 2nd – 5th of March, where you'll get the chance to see what businesses are achieving with Office 365, Microsoft Teams, PoweraBI/PowerApps and so much more.

We will be deep-diving into the key features of Microsoft Teams and SharePoint, and how they can be customised to enhance engagement between all levels of your business.

Spots are limited for these workshops, so register today to avoid missing out. Choose from a range of dates and times that best suit your calendar!

We look forward to seeing you there,

**Softsource**
