

We are **open** for
ALL ESSENTIAL BUSINESSES &
businesses providing **essential** products

As previously mentioned, The Ministry of Business, Innovation and Employment (MBIE) has approved Softsource to supply all Essential Businesses and Services within NZ.

Softsource can also supply essential product to enable non-essential business or staff working from home.

Products include, but are not limited to;

- Laptops and Desktops
- Monitors
- Keyboards and Mice
- Network equipment
- Audio equipment (Headsets etc)
- Video equipment for online meetings (Webcams etc)
- Telephony equipment
- Power equipment (Surge protection, Uninterruptable Power Supplies etc)

Our on-line portal is open for business 24/7

<https://store.softsource.co.nz>

Please be assured we are taking all the necessary measures with distancing, sanitising, rolling shifts and contactless delivery to protect our staff and customers.

DELIVERY DELAYS

Due to reduced staff numbers on-site, increased sanitary procedures, and courier schedules, orders may take a little longer to dispatch so please be patient. We will continue to give priority to Essential Services so please make sure our team is made aware of any orders that are critical so that priority is given.

WE ARE HERE TO HELP

Softsource staff are all working and can be contacted through normal channels.

KEEP SAFE
